

Release 1.0 Acceptance

Product: SharkTank

Team: Think Tank

16 March 2017

User Stories Implemented:

- As a user I want to be able to make a profile so that I can log in and pitch ideas.
- As a user I want to be able to create and rate a pitch, so that I can show which ideas I like
- As a user I want to be able to join a team around an idea, so that I can provide input and grow the idea
- As a user I want to comment on an idea, so that I can provide input as a customer rather than as a collaborator

Known Bugs:

- Follow function will fire on load when loading an Idea Details page
- Up vote function will run on load when loading an Idea Details page
- Down vote function will run on load when loading an Idea Details page
- Idea Details breaks when viewing as a non-user
