

Release 1.0 Acceptance

Product: SharkTank

Team: Think Tank

16 March 2017

User Stories Implemented:

- As a user I want to be able to make a profile so that I can log in and pitch ideas.
- As a user I want to be able to create and rate a pitch, so that I can show which ideas I like
- As a user I want to be able to join a team around an idea, so that I can provide input and grow the idea
- As a user I want to comment on an idea, so that I can provide input as a customer rather than as a collaborator

Known Bugs:

- Homepage Video stops playing after a little while
- Homepage chart gets bad data for idea category distribution
- Accept button doesn't work for contributions
